ZABOW

Beverley@ht-ip-law.com

TEL: +972 54 487 7985

Beverley is an experienced transactional and M&A attorney with extensive knowledge and experience supporting Israeli and foreign companies in their international transactions. She is CIPP/E qualified and knowledgeable about privacy in Israel and GDPR. She represents companies in all areas of technology, including software, cyber law, digital printing, open source, internet, privacy, mobile applications, e-commerce, bio-tech, medical devices, agro-tech, clean-tech and hair and beauty products and technologies. She is a co-founder (with Adi Barkan-Lev) of BL&Z Law Offices and Notaries, a highly respected boutique law firm that offers the twin pillars of IP protection and Transactional negotiation, necessary for firms to thrive in the global arena.

Adi
BARKAN-LEV

Adi@ht-ip-law.com

TEL: +972 54 531 3709

Adi is an experienced attorney specializing in commercial law and Intellectual Property matters. Adi provide consulting and legal services in all areas of Intellectual Property, including copyrights, trademarks, industrial designs, patents, commercial wrongs, counterfeit goods, and imitations and has vast experience in commercialization of intellectual property assets. Adi is an experienced litigator and skillful negotiator representing clients in proceedings before Israeli courts, the Israeli Patent Office and Israeli Customs Authorities and is a panelist of the Israel Internet Association (ISOC-IL).

Topics

1. Important aspects upon negotiating licensing technology contracts with an Israeli company. The purpose is to provide guidelines considering Israeli relevant legislation and case law.
2. Important guidelines for negotiating agreements with Israeli IP commercializing companies – those companies that handle the commercialization of Israeli R&D products developed by universities and medical institutes such as Yeda - for the Weizmann Institute, the Technion, Yissum – for the Hebrew Institute etc.
